

Walls in Northern Virginia, Maryland, Washington D.C.

Nova Concrete Construction, Inc. has vast experience in building walls in all their applications for clients. Whether your in the market for a boundary wall for integration with a fence line establishing your property limits, a retaining wall for retention of earth and offsetting elevational differences throughout your landscape, or need a force protection system to integrate with wrought iron gates and a controlled security system; we are your source.

Nova Concrete Construction provides the following walls in the DC, MD and VA area:

- Boundary Walls

- Curtain Walls <also known as Facade Walls>
- Force Protection Walls
- Foundation Walls <Structural / Load Bearing>

- Retaining Walls

Please reference a few pictures of walls we have built and be sure to consider us for your next hardscape project. Below you have a few photographs of boundary walls along a property line. Contact Nova Concrete Construction, Inc. for any wall projects in Virginia, Maryland or DC that you may be procuring a general contractor to provide competitive bids on. You can call us at 703-774-2662 or email nalves@novaconcrete.com for an immediate response.
